SUMMARY

Aspiring Software Developer with strong technical skills, adaptability and a quick learning attitude, I bring a collaborative mindset to every team and thrive in dynamic environments that challenge me to grow. Eager to contribute and make a meaningful impact from day one.

TECHNICAL SKILLS

- **Programming Languages:** C, C++
 - **Frontend Technologies:** HTML, CSS, JavaScript, ReactJS, Redux, Tailwind CSS
 - **Backend Technologies:** NodeJS, Express, JSON Web Tokens, RESTful API, AWS (EC2, S3)
 - **Developer Tools & Other Skills:** Git & GitHub, Postman and Thunder Client (API Testing), Basic Linux/CLI, VS Code, MongoDB Compass, Object Oriented Programming (OOP), SQL
-

PROJECTS

LookBazaar - ECommerce Website (ReactJS, Tailwind CSS, Redux)

GitHub: <https://github.com/bharat40/E-Commerce-Website-Frontend> Live: <https://lookbazaar.netlify.app/>

- Developed the frontend of an e-commerce website using React.js, Redux, and Tailwind CSS, featuring product display and cart management functionality.

Udaariyaan - A Travel Website (MERN Stack)

GitHub: <https://github.com/bharat40/Udaariyaan> Live: <https://udaariyan.vercel.app/>

- Developed a travel booking platform with JWT based user authentication and secure email verification using node mailer.
- Crafted user-centric interface with ReactJS and Tailwind CSS.
- Built a scalable backend with NodeJS, Express and MongoDB to handle APIs and data persistence.

NoteSpot - A Note Taking Website (MERN STACK)

GitHub: https://github.com/bharat40/NoteSpot_MERN Live: <https://notespot-frontend.onrender.com/>

- Developed a full stack note-keeping website with features like creating, editing, deleting notes secured with authentication and authorization.
 - Implemented a RESTful backend using MongoDB, Express and NodeJS for seamless CRUD operations.
-

EDUCATION

CHITKARA UNIVERSITY

Punjab, India

Bachelor of Engineering in Computer Science (Current CGPA: 7.51)

DAV PUBLIC SCHOOL

Ambala, Haryana, India

Senior Secondary Education - Nonmedical, CBSE (2022)

AIR FORCE SCHOOL

Ambala, Haryana, India

Secondary Education - CBSE (2020)

SOFT SKILLS

Attentive Listener, Versatile, Quick Learner, Collaborative Team Player.
